

Dear Valued Customer,

Antigua Commercial Bank (ACB) wishes to advise that due to expected weather conditions associated with Hurricane Irma, all ACB banking operations in both Antigua and Barbuda will be closed from 10:00am today Tuesday, September 5, 2017 until further notice.

Please also note that there will be no internet banking, no service at the ATMs, and no credit or debit card services as of 1:00 p.m. today Tuesday, September 5.

We wish all our valued customers safety and look forward to resuming business operations and full banking services following the passage of the hurricane.
